Product Specification Sheet

Targus 15.4” Monogram Backpack

Part #: TBB003US

Product Description:

The Targus Monogram Backpack is designed to carry notebooks with up to 15.4" screens. The patented SafePORT® Air Cushion System and molded EVA panels provide maximum security for your notebook. The zip-down front panel includes a business card holder, cell phone/PDA pocket, pen loops and key clip. The backpack is also equipped with a zippered media pocket for easy access to an MP3 or CD player. This backpack features 3D mesh on the shoulder straps, a sternum strap and a padded back panel for maximum air circulation for a comfortable fit. Additional features include an external sunglass pocket with scratch resistant lining, water bottle holder with a bungee cord for easy access and a hidden "rain fly" that unzips from the bottom for protection from the elements. The Monogram Backpack is durable and perfect for active lifestyles.
